1. The period of right is normally five years. However, in the case of an associated design registered by virtue of Section 4 of the Act, the right will expire when the right in the original design expires. The extended period may therefore be less than the full five years.
2. The above includes up to 100 characters of the name of the proprietor as contained in the Register of Designs. If this is not correct, please complete Designs Form 12A (if the ownership has changed) or Designs Form 16A (for a name change or correction of error), as appropriate, and send the completed form to the address above.
3. A fee sheet acknowledgement of the payment of the renewal fee has been sent separately to you.
4. If you have any queries on this case, they should be addressed to Tracey Waters on 01633 814433.
